FIXTURES & CONTROLS

Whether you're purchasing a couple of fixtures or an entirely new lighting system, your venue deserves exceptional lighting. We work closely with you to find the ideal lighting solutions for your performance space or to highlight the beauty of your venue's architecture, enhancing the overall experience for your audience.

RIGGING

We are an authorized dealer for ETC and Stagemaker and offer tailored rigging solutions for your space and budget. Hang projectors, lighting, microphones, and speakers and access them easily for maintenance with the push of a button. Our certified technicians ensure safe and correct installation.

FLAME RETARDANT TESTING & TREATMENT

Scenic Solutions offers Flame Retardant services compliant with FDNY and CAFM standards. We inspect and treat curtains, draperies, and other soft goods to ensure they meet local fire safety regulations.

SAFETY INSPECTIONS & MAINTENANCE

Your lighting and rigging equipment is a valuable investment. Proper maintenance not only extends its lifespan but also ensures safety. To keep your stage equipment in optimal condition, we recommend annual inspections by industry experts. Our certified technicians are ready to help you establish and execute a comprehensive maintenance and safety inspection plan tailored specifically to your needs.

INSTALLATION & INTEGRATION

Our ETCP certified technicians are available for installation and system integration, guaranteeing professional and reliable service.

USER TRAINING

To use a tool effectively, you need to understand how it works. Without this knowledge, your attempts will likely fail. We offer comprehensive training to empower your team to have the ability to fully utilize your theatrical equipment.

CUSTOM SOFTGOODS

Offering a full line of soft goods, including stage curtains, backdrops, and event drapery, as well as specialty projects and custom work.

ABOUT US

Founded in 1996, our reputation for excellence has led us to our facility in West Carrollton, Ohio. As a family-owned business, our team shares a united goal: to be the best. Our theater experience instills respect for deadlines, and our non-profit partnerships emphasize quality and economy. We value professionalism, honesty, courtesy, and accountability, striving to improve ourselves, our clients, and our community. We treat every project with the same care and dedication as if it were our own.

We have the capability. We have the capacity. **We have the solutions.**
